## GENESIS

Pachaiyappa's College, Chennai is the offspring of a superlative act of private philanthropy of its progenitor, Pachaiyappa's Mudaliar who had made himself a master financier and merchant prince when he was just 22 years old. Around this age many of us are in the threshold of our collegiate educational career.

This College had its genesis in the famous Will of Pachaiyappa Mudaliar. Pachaiyappa was born, posthumously in 1754, of poor parents. He grew up in poverty and rose by his own force of character to be the most opulent man of his time but who finally bequeathed all his wealth for the service of God and humanity. It was at Kumbakonam on March 22, 1794, having a premonition of his premature demise, that he drew up his renowned Will "dedicating, with full knowledge and hearty resignation, all his wealth, in the absence of any male issue, to the sacred service of Siva and Vishnu and to certain charities at various temples and places of pilgrimage, to the erection of religious edifices, to bounties to the poor, to seminaries of Sanskrit learning and to other objects of general benevolence".

In those days Wills were rare and obscure and their legitimacy, importance and significance were not correctly comprehended and appreciated. Exploiting this apathetic situation, successive executors of Pachaiyappa's Will flouted the provisions of the Will and embezzled large sums of money covered by the Will. On being apprised of this delinquent and reprehensible conduct, Sir Herbert Crompton, the then Advocate-General moved the Supreme Court of Madras which passed a decree upholding the validity of the Will and directing the person liable for

performance of the charities to ensure religious services and also render and account of the funds with accumulated interest, amounting to many lakhs of Rupees. However, the execution of this decree posed stupendous problems since the person against whom the decree was passed was a squander maniac and could remit only a small fraction of his enormous dues. Fortunately at his juncture, Mr. George Norton succeeded Sir Herbert Crompton as Advocate-General. This proved to be a shot in the arm for the ardent votaries of Pachaiyappa's benefactions. Norton, evincing extraordinary prudence and personal interest, transcending the requirements of his official designation, succeeded in salvaging a huge quantity of jewels and thereby realizing in respect of the claim a total sum of about 8 lakhs of Rupees. On an application by Norton, the Supreme Court of Madras passed another decree in 1841, directing that the surplus money left after fulfillment of religious bequests for which one lakh of Pagodas or four and a half lakhs of Rupees was earmarked, ought to be utilised for establishing educational institutions in various parts of the Presidency, especially in the city of Madras. The general management of the charities, according to the Scheme of the Supreme Court, as directed by the Board of Revenue, became vested in a body of 9 Hindu Trustees, to translate into reality the benevolent services envisioned by the munificent philanthropist.

The Board of Trustees had their first meeting on October 9, 1842. They had several more meetings subsequently and chalked out distinct programmes of action to accomplish the tasks entrusted to them. In January 1842 a primary school was started bearing the name of "Pachaiyappa's Central Institution" which the objective of providing free education to poor Hindus in the elementary branches of English Literature and Science, with instruction in Tamil and Telugu. The school functioned in

a rented building on a rent of Rs.20/- per month. This was the beginning of Pachaiyappa's College. On October 2<sup>nd</sup>, 1846, the foundation stone of "Pachaiyappa's Hall", as it was called, was laid by George Norton in a grand, colourful and glittering function. It is most fitting that George Norton is hailed as the Second Founder of Pachaiyappa's Charities in recognition of his yeoman services to the cause of education. The magnificent hall was built in 3½ years, on the model of the temple of Theseus in Athens. This hall is a landmark in the busy locality of George Town. IN the vicinity of this hall, twelve, classrooms were built to accommodate 600 students. The new building was inaugurated on March 20, 1850 in a grand function, attended by a large number of European and Indian Intelligentsia. The Pachaiyappa Central Institution began functioning in the new building in 1850.

Very soon the school grew in popularity, exceeding the expectations of the Trustees who were forced to rent another building on a rent of Rs.100/- a month. The primary school was elevated to a High School. The Hindus of Madras made strident demands for college education. At that time there were only two colleges in Madras City, the Presidency College and the Madras Christian College. Both were elitist in character, providing expensive education, accessible only to the aristocratic people. Responding to the rising demands of poor Hindus for college education, the Trustees started intermediate classes in 1880, affiliated to the Madras University, i.e. the school became a second-grade college. Again responding to popular pressure and acting on a suggestion from Mr. John Adam, the then Principal, the Trustees raised the College to a first grade college in 1889 and separated it from the High school and B.A. courses were started in some arts subjects.

The golden jubilee of Pachaiyappa's Institutions was celebrated on November 26, 1892 in Pachaiyappa's Hall. Lord Lansdowne, the then Viceroy of India presided.

Growth of the College in terms of new courses was rather sluggish in the few years after the Golden jubilee Celebrations. The Diamond jubilee (60 Anniversary) was celebrated in a grand fashion on November 21, 1902, Lord Pentland, the then Governor of Madras presided over the celebrations. In his impressive speech, the Governor referred to the special qualities of Pachaiyappa's institutions. He said that the college and the school were "no ordinary educational institutions of ordinary origin and ordinary growth. They have several unusual and highly important characteristics. In the first place, they owe their existence to the munificent endowment made by a single private individual; in the second place, they are purely Hindu institutions, managed by Hindus for Hindus with the smallest possible assistance and interference of the part of the Government. And in the third place, they lay claim in a very special manner to aims and Objects of the highest importance. The often declared object of the Trustees is to provide a national education to make the college a seat of culture".

The dawn of the new century culminated in the generation of a new awareness of the growing importance of science subjects whose phenomenal advances touched every aspect of life. Realising that a college bereft of science education was doomed to extinction B.A. courses in Mathematics and Physical Sciences were started and spacious laboratories were constructed. There was also a strong feeling that the hustle and bustle of Esplanade made it unsuitable to house the college and the accommodation of the college was woefully inadequate to meet

the growing student strength. To start with, a hostel for 150 students was built at a cost of 4 lakhs of Rupees in Chetput and completed in 1921 the year which witnessed the appointment of the first Indian Principal, Professor M. Ruthnaswami, Two more blocks were added to the hostel in 1953 to meet increasing demand for rooms.

The idea of shifting the college from squalid Esplanade of salubrious Chetput was a non-starter owing to paucity of funds. In 1933 the College conducted a raffle which fetched Rs.50,000/- which served as the nucleus of a fund for construction of new buildings. The Government of Madras sanctioned a substantial building grant. Finally on March 22, 1939, Lord Erskine, the then Governor laid the foundation stone for the new buildings which were completed in 1940. The new buildings which were the envy of educational institutions in the state were declared open on August 12, 1940 by Sir Arthur Hope, the then Governor. Dr. Sir. A. Lakshmanaswami Mudaliar who was president of the Trust Board for 3 years successively planned and executed this new building project in a masterly and exquisite fashion. The triumph of this building project is largely attributable to the profound genius, laudable foresight and lionistic efforts of Dr.A.L. Mudaliar who was fittingly described as a second Pachaiyappa by Dr.D.S. Sarma, the then principal of the College. In the meantime Honours courses had been started in a number of arts subjects.

The centenary of the college was celebrated in a glittering function in February 1942. Governor Sir Arthur Hope presided and Dr. Rajah Sir M.A. Muthiah Chettiar, President of the Trust Board delivered the centenary address. Utilising the increased accommodation available, a large number of new courses in Arts and Sciences at the Bachelor's Master's and

Honours levels were started greatly augmenting the quality, variety and utility of the education imparted in the college.

The Post-Centenary Silver Jubilee of the college was celebrated in gala fashion in March 1968. The Chief Guest of the function was none other than Perarignar Dr. C.N. Annadurai, an illustrious alumnus of the college who rose to be the Chief Minister of Tamil Nadu.

A resume of the college in third half-century of its existence is a chronicle of the addition of new courses from time to time. The Post-Centenary Golden Jubilee of the college was celebrated belatedly but in a grand manner in May 1994 with a number of new buildings declared open by Dr. (Selvi) J.Jayalalitha, the then Chief Minister of Tamilnadu. Thanks to the new additions, the college presently offers B.A. in Tamil, English, Economics, History, Philosophy and Corporate Secretaryship, B.Sc., in Mathematics, Physics, Chemistry, Botany and zoology, B.Com.; M.A. in Tamil, English, History and Philosophy, M.Com., M.Phil. programmes in Tamil, English, Economics, History, Philosophy, Commerce, Mathematics, Chemistry, Botany and Zoology and Ph.D. programmes in Tamil, English, History, Philosophy, Mathematics, Physics, Chemistry, Botany and Zoology. Recently, responding to the demands of modern times, job-oriented courses have been started on self-financing basis in the Evening Classes. These are B.Sc. in Computer Science, B.Sc. in Microbiology and M.C.A., M.Sc.(Applied Microbiology).

The college had to weather a storm of problems besetting it. Any building is apt to suffer deterioration due to constant use and aging. The some of the building is in need of renewal. Repairs to and renovation of electrical installations brook no delay. The sanitary facilities have suffered

deterioration. Responding to the pleas of the Principal and the staff, The Hon'ble Board of Trustees have promptly heeded their personal and special attention in granting approvals for various projects. The Trustees of Pachaiyappa's Trust Board renowned for their profound erudition, robust dynamism, benign grace and magnanimity granted all the prayers. Accordingly, repairs to and renovation of blocks of buildings in the campus was successfully carried out. We are greatly beholden to the Board of Trustees for their rich pragmatism, foresight and sagacity in initiating operations aimed at saving the building from decay and deterioration.

This college has produced eminent leaders in all spheres of national life. It is a Titanic leader in the comity of educational institutions in the country.

We would be guilty of grave ingratitude if we fail to pay homage to the memory of Pachaiyappa Mudaliar, philanthropist *par excellence and non pareil* who endowed his entire wealth to the noble cause of religion and education. We also owe a deep debt of gratitude to the successive Trustees, Principals and Professors who spared no pains to make it possible for the college to develop to the present dimensions.

## ACCREDITATION

This College was accredited by NAAC with B++ Grade  
in May 2005.

## **Action plan chalked out by the IQAC for the year 2007-2008 towards the enhancement of quality of education.**

- Creating Conference / Seminar Halls
- Getting funds various educational agencies for research projects
- Introduction of Job Oriented Courses
- Development of Infrastructure
- Motivate the students in various fields of activities
- To update the college website

In order to have healthy discussions and decisions, the following sub committees have been constituted for the effective administration of the College.

### **Discipline and Students Welfare Committee of the College**

Mr.S.Sampathraj, Lecturer SG in Commerce  
Dr.K.M.Umarajan, Reader in Botany  
Dr.P.Arulmozhichelvn, Reader in Physics  
Mr.M.Perumal, Lecturer (ISG) in Maths  
Mr.M.Kolangiyappan, Lecturer (SG) in Corporate Secretaryship

### **Women Staff and Students' Grievance Cell**

Mrs.R.Rukmani, HOD of Maths  
Dr.V.Umaparvathy, Reader in Tamil

Dr.K.Banumathy, Reader in History

## Activities reflecting the goals and objectives of the institution:

### Provision of Conference Halls

Considering the requirement of the NAAC and also as per the requests of staff and students, the room No.28 and 29 in the Arts Block have been merged for created as conference room in the Arts Block with modern facilities. This hall has been named as **Norton Hall**.

Similarly as per the norms of the AICTE and as recommended by the HOD of Computer Science, a Room in the MCA Block has been converted as Conference Hall with modern facilities. This hall has been named as **Bill gates Hall**

Considering the requests of the Heads of the Departments in Science Block, the room No.109 has been earmarked as Conference Room in the Science Block. In order to have the conversion of the said room as conference room, Dr.Ishari K.Ganesh, Chancellor, Vels University has accepted with his magnanimous gesture the request of the Principal in the meeting of the Commerce Association to incur expenses for the conversion of the Conference Room in the Science Block. As per the resolutions passed in the meeting of the Heads of the Science Departments, the said conference room will be named as **Abdul Kalam Hall**.

### Rooms to NSS and NCC

Six rooms have been provided as follows:

Two rooms for NCC

One room for NSS

One room for Zoology Vermiculture

One room for Microbiology Animal Room

The remaining big room is for Electricity Control Room

### New Academic Initiatives

Students have been encouraged to take part in various academic events conducted by various educational institutions.

**Ms.Sheeba Verma**, who is studying her final year M.Sc.(Applied Microbiology) is a star student of this College. Though she hailed from a poor family, she is rich

in her mental faculties. Her masterful award winning achievements in various intercollegiate, state level and national level competitions and also scholarly presentation of papers in seminars are the capacious witness to her versatility and scholarly faculties.

### Her achievements

Competitions	Conducted by	Prize Won
National level poster presentation	Valliammal College for Women, Chennai	Third Place
State level poster presentation	Hindustan College of arts and science, Kelambakkam	Second Place
Intercollegiate poster presentation	Kumararani Meena Muthiah College, Adyar	First Place
Intercollegiate paper presentation	Kumararani Meena Muthiah College, Adyar	Second Place
National poster presentation	Valliammal College for Women, Chennai	Second Place
Intercollegiate paper presentation	D.G.Vaishnav College, Chennai	First Place
Intercollegiate paper presentation	Sir Theagaraya College, Chennai	First Place
Intercollegiate poster presentation	Ethiraj College, Chennai	Second Place
Intercollegiate paper presentation	Madras Christian College, Tambaram	First Place
Intercollegiate paper presentation	Pachaiyappa's College, Chennai	Second Place

### Her participations in Symposiums

Symposium / Seminars	Conducted by
National Symposium on man & microbe	Valliammal college for Women, Chennai
National Conference on emerging trends & evolving technologies in applied microbiology	Sri Sanbkara Arts & Science College, Kancheepuram
State level symposium on current microbial technology	Hindustan College of arts and Science, trends in Kelambakkam
National level student seminar on recent advances in environmental science & technology	NEERI – National environmental engineering research institute, Taramani
Student Seminar SYNERGY	Loyola College, Chennai
One day symposium on microbial	Sir Theagaraya College, Chennai

diversity & biotechnology	
National Symposium on exploitation of microbes in industries	Vel's College, Chennai
Inter Collegiate Seminar on environment values – a bridge building	Pachaiyappa's College, Chennai

Her academic details: First class in the University Examinations and has been selected in Shankar Netralaya Summer Training Programme (One among 5 students in Chennai Zone)

**N.C.Jayasree (Final year M.Sc. Applied Microbiology)**

Abhigyan 2008	Madras Christian College
Microfest 2007-2008	Ethiraj College, Chennai
Micro Call 2008	D.G.Vaishnav College, Chennai

**Innovations in Curriculum Design and Transaction**

The various departments of the College continued their curricular and research activities. I wish to make a special mention of the following events.

The Department of Physics (The Spectro Physics Research Laboratory) has conducted” **National Conference on Recent Advances in Physics**” in honour of Dr.S.Gunasekaran, Professor of Physics of this College for his successful guidance of 25 students for their Ph.D. degree. This is a prestigious and significant milestone in the academic career of a Research Supervisor and Guide and it seems fitting to mark this event in this manner.

The Department of Corporate Secretaryship has organized an Inter Class Competition on Environmental Science in view of GREEN CORP 2008 on 06.02.2008.

The departments of Tamil, English, Mathematics, History, Economics, Commerce, Philosophy, Physics, Botany and Zoology continued their research activities leading to the award of M.Phil. and Ph.D. degrees to a number of scholars and publication of a large number of research papers in leading national and international journals.

(4)

#### **Interdisciplinary programmes**

Subject experts and eminent personalities have been invited to give special lectures in various disciplines to motivate the students to promote their skills in gaining good knowledge for their higher education and job oriented activities.

Soft Skills have been trained by detailing the services of the leading private educational agencies, viz., River stone Academy, Sutherland Global Services and Tally Academy.

Cultural and various academic programmes have been conducted by the departments and the students have been awarded suitably.

(5)

#### **Examination Reforms Implemented**

The performance of the students in the practical and theory examinations have been evaluated by the external examiners appointed by the University of Madras and external marks have been awarded by them as per the curricula designed by the University of Madras under Choice Based Credit System.

Student evaluation on teachers (peer evaluation) is being done periodically. Students have been encouraged to give their evaluation report about their teachers to ensure objectivity.

(6)

#### **Candidates Qualified SET**

29 students of Post Graduate classes and M.Phil. programmes have cleared SET and 3 have cleared the NET.

(7)

### **Initiate towards Faculty Development Programme**

Faculties are availing the opportunities to attend the seminars and workshops at National and International levels.

### **Community Services**

#### **NCC Activities**

Our College has the unique distinction of having all the four NCC units, viz., Armoured Squadron, Infantry, Air wing and Naval wing. These 4 units are respectively led by Lt.M.Perumal, Captain K.S.Sridhar, Pilot Officer Dr.P.Venkatesh and Ct.K.Vijayaraghavan. Among the important activities, I wish to mention the participation of our cadets in the RDC camp, Attachment Camp, Vayu Sanki Camp, Nav Sanik Camp, National Integration Camp, Trekking camp, CATC and other camps. Blood Donation Camp and the Marina Republic Day Parade.

#### **NSS Activities**
