GENESIS

Pachaiyappa's College, Chennai is the offspring of a superlative act of private philanthropy of its progenitor, Pachaiyappa's Mudaliar who had made himself a master financier and merchant prince when he was just 22 years old. Around this age many of us are in the threshold of our collegiate educational career.

This College had its genesis in the famous Will of Pachaiyappa Mudaliar. Pachaiyappa was born, posthumously in 1754, of poor parents. He grew up in poverty and rose by his own force of character to be the most opulent man of his time but who finally bequeathed all his wealth for the service of God and humanity. It was at Kumbakonam on March 22, 1794, having a premonition of his premature demise, that he drew up his renowned Will "dedicating, with full knowledge and hearty resignation, all his wealth, in the absence of any male issue, to the sacred service of Siva and Vishnu and to certain charities at various temples and places of pilgrimage, to the erection of religious edifices, to bounties to the poor, to seminaries of Sanskrit learning and to other objects of general benevolence".

In those days Wills were rare and obscure and their legitimacy, importance and significance were not correctly comprehended and appreciated. Exploiting this apathetic situation, successive executors of Pachaiyappa's Will flouted the provisions of the Will and embezzled large sums of money covered by the Will. On being apprised of this delinquent and reprehensible conduct, Sir Herbert Crompton, the then Advocate-General moved the Supreme Court of Madras which passed a decree upholding the validity of the Will and directing the person liable for performance of the charities to ensure religious services and also render

and account of the funds with accumulated interest, amounting to many lakhs of Rupees. However, the execution of this decree posed stupendous problems since the person against whom the decree was passed was a squander maniac and could remit only a small fraction of his enormous dues. Fortunately at his juncture, Mr. George Norton succeeded Sir Herbert Crompton as Advocate-General. This proved to be a shot in the arm for the ardent votaries of Pachaiyappa's benefactions. Norton, evincing extraordinary prudence and personal interest, transcending the requirements of his official designation, succeeded in salvaging a huge quantity of jewels and thereby realizing in respect of the claim a total sum of about 8 lakhs of Rupees. On an application by Norton, the Supreme Court of Madras passed another decree in 1841, directing that the surplus money left after fulfillment of religious bequests for which one lakh of Pagodas or four and a half lakhs of Rupees was earmarked, ought to be utilised for establishing educational institutions in various parts of the Presidency, especially in the city of Madras. The general management of the charities, according to the Scheme of the Supreme Court, as directed by the Board of Revenue, became vested in a body of 9 Hindu Trustees, to translate into reality the benevolent services envisioned by the munificent philanthropist.

The Board of Trustees had their first meeting on October 9, 1842. They had several more meetings subsequently and chalked out distinct programmes of action to accomplish the tasks entrusted to them. In January 1842 a primary school was started bearing the name of "Pachaiyappa's Central Institution" which the objective of providing free education to poor Hindus in the elementary branches of English Literature and Science, with instruction in Tamil and Telugu. The school functioned in a rented building on a rent of Rs.20/- per month. This was the beginning of Pachaiyappa's College. On October 2nd, 1846, the foundation stone of "Pachaiyappa's Hall",

as it was called, was laid by George Norton in a grand, colourful and glittering function. It is most fitting that George Norton is hailed as the Second Founder of Pachaiyappa's Charities in recognition of his yeoman services to the cause of education. The magnificent hall was built in 3½ years, on the model of the temple of Theseus in Athens. This hall is a landmark in the busy locality of George Town. IN the vicinity of this hall, twelve, classrooms were built to accommodate 600 students. The new building was inaugurated on March 20, 1850 in a grand function, attended by a large number of European and Indian Intelligentsia. The Pachaiyappa Central Institution began functioning in the new building in 1850.

Very soon the school grew in popularity, exceeding the expectations of the Trustees who were forced to rent another building on a rent of Rs.100/- a month. The primary school was elevated to a High School. The Hindus of Madras made strident demands for college education. At that time there were only two colleges in Madras City, the Presidency College and the Madras Christian College. Both were elitist in character, providing expensive education, accessible only to the aristocratic people. Responding to the rising demands of poor Hindus for college education, the Trustees started intermediate classes in 1880, affiliated to the Madras University, i.e. the school became a second-grade college. Again responding to popular pressure and acting on a suggestion from Mr. John Adam, the then Principal, the Trustees raised the College to a first grade college in 1889 and separated it from the High school and B.A. courses were started in some arts subjects.

The golden jubilee of Pachaiyappa's Institutions was celebrated on November 26, 1892 in Pachaiyappa's Hall. Lord Lansdowne, the then Viceroy of India presided.

Growth of the College in terms of new courses was rather sluggish in the few years after the Golden jubilee Celebrations. The Diamond jubilee (60 Anniversary) was celebrated in a grand fashion on November 21, 1902, Lord Pentland, the then Governor of Madras presided over the celebrations. In his impressive speech, the Governor referred to the special qualities of Pachaiyappa's institutions. He said that the college and the school were "no ordinary educational institutions of ordinary origin and ordinary growth. They have several unusual and highly important characteristics. In the first place, they owe their existence to the munificent endowment made by a single private individual; in the second place, they are purely Hindu institutions, managed by Hindus for Hindus with the smallest possible assistance and interference of the part of the Government. And in the third place, they lay claim in a very special manner to aims and Objects of the highest importance. The often declared object of the Trustees is to provide a national education to make the college a seat of culture".

The dawn of the new century culminated in the generation of a new awareness of the growing importance of science subjects whose phenomenal advances touched every aspect of life. Realising that a college bereft of science education was doomed to extinction B.A. courses in Mathematics and Physical Sciences were started and spacious laboratories were constructed. There was also a strong feeling that the hustle and bustle of Esplanade made it unsuitable to house the college and the accommodation of the college was woefully inadequate to meet the growing student strength. To start with, a hostel for 150 students was built at a cost of 4 lakhs of Rupees in Chetput and completed in 1921 the year which witnessed the appointment of the first Indian Principal, Professor M.

Ruthnaswami, Two more blocks were added to the hostel in 1953 to meet increasing demand for rooms.

The idea of shifting the college from squalid Esplanade of salubrious Chetput was a non-starter owing to paucity of funds. In 1933 the College conducted a raffle which fetched Rs.50,000/- which served as the nucleus of a fund for construction of new buildings. The Government of Madras sanctioned a substantial building grant. Finally on March 22, 1939, Lord Erskine, the then Governor laid the foundation stone for the new buildings which were completed in 1940. The new buildings which were the envy of educational institutions in the state were declared open on August 12, 1940 by Sir Arthur Hope, the then Governor. Dr. Sir. A. Lakshmanaswami Mudaliar who was president of the Trust Board for 3 years successively planned and executed this new building project in a masterly and exquisite fashion. The triumph of this building project is largely attributable to the profound genius, laudable foresight and lionistic efforts of Dr.A.L. Mudaliar who was fittingly described as a second Pachaiyappa by Dr.D.S. Sarma, the then principal of the College. In the meantime Honours courses had been started in a number of arts subjects.

The centenary of the college was celebrated in a glittering function in February 1942. Governor Sir Arthur Hope presided and Dr. Rajah Sir M.A. Muthiah Chettiar, President of the Trust Board delivered the centenary address. Utilising the increased accommodation available, a large number of new courses in Arts and Sciences at the Bachelor's Master's and Honours levels were started greatly augmenting the quality, variety and utility of the education imparted in the college.

The Post-Centenary Silver Jubilee of the college was celebrated in gala fashion in March 1968. The Chief Guest of the function was none other than Perarignar Dr. C.N. Annadurai, an illustrious alumnus of the college who rose to be the Chief Minister of Tamil Nadu.

A resume of the college in third half-century of its existence is a chronicle of the addition of new courses from time to time. The Post-Centenary Golden Jubilee of the college was celebrated belatedly but in a grand manner in May 1994 with a number of new buildings declared open by Dr. (Selvi) J.Jayalalitha, the then Chief Minister of Tamilnadu. Thanks to the new additions, the college presently offers B.A. in Tamil, English, Economics, History, Philosophy and Corporate Secretaryship, B.Sc., in Mathematics, Physics, Chemistry, Botany and zoology, B.Com.; M.A. in Tamil, English, History and Philosophy, M.Com., M.Phil. programmes in Tamil, English, Economics, History, Philosophy, Commerce, Mathematics, Chemistry, Botany and Zoology and Ph.D. programmes in Tamil, English, History, Philosophy, Mathematics, Physics, Chemistry, Botany and Zoology. Recently, responding to the demands of modern times, job-oriented courses have been started on self-financing basis in the Evening Classes. These are B.Sc. in Computer Science, B.Sc. in Microbiology and M.C.A., M.Sc.(Applied Microbiology).

The college had to weather a storm of problems besetting it. Any building is apt to suffer deterioration due to constant use and aging. The some of the building is in need of renewal. Repairs to and renovation of electrical installations brook no delay. The sanitary facilities have suffered deterioration. Responding to the pleas of the Principal and the staff, The Hon'ble Board of Trustees have promptly heed their personal and special attention in grating approvals for various projects. The Trustees of

Pachaiyappa's Trust Board renowned for their profound erudition, robust dynamism benign grace and magnanimity granted all the prayers. Accordingly, repairs to and renovation of blocks of buildings in the campus was successfully carried out. We are greatly beholden to the Board of Trustees for their rich pragmatism, foresight and sagacity in initiating operations aimed at saving the building from decay and deterioration.

This college has produced eminent leaders in all spheres of national life. It is a Titanic leader in the comity of educational institutions in the country.

We would be guilty of grave ingratitude if we fail to pay homage to the memory of Pachaiyappa Mudaliar, philanthropist *par excellence and non pareil* who endowed his entire wealth to the noble cause of religion and education. We also owe a deep debt of gratitude to the successive Trustees, Principals and Professors who spared no pains to make it possible for the college to develop to the present dimensions.

ACCREDITATION

This College was accredited by NAAC with B++ Grade
in May 2005.

PART – A

Action plan chalked out by the IQAC for the year 2010-2011 towards the enhancement of quality of education.

- Modernization of Principal's Room
- Renovation of Hostel Premises
- Getting funds various educational agencies for research projects
- Additional toilet and drinking water facilities to the students
- Installation of R.O. Plant for Science Block
- Development of Infrastructure
- Motivate the students in various fields of activities
- Remedial Coaching to the Students
- Conduct of Soft Skill courses

In order to have healthy discussions and decisions, the following sub committees have been constituted for the effective administration of the College.

Women Grievance Cell

Dr.R.Kanchana
Dr.V.M.Akila
Mrs.A.G.Maragathamani

Career Guidance and Students Advisory Bureau

Dr.P.Subbiah
Dr.V.Gnanakumari
Mrs.S.Djodilatchoumy

Discipline and Students Welfare Committee of the College

Dr.K.Sambathkumar
Dr.S.Rajan
Dr.P.Gajivaradhan
Dr.Rajarajan Vanjeko
Mr.N.Palanisamy
Mr.M.Kolangiyappan
Dr.A.Sampath

Sports Advisory Committee

Dr.P.Prakasam
Prof.S.Umapathy

Library Advisory Committee

Dr.V.Thyagarajan
Dr.A.R.Prabhakaran

UGC Grants Process / Research Committee

Dr.T.J.Bhoopathy
Dr.C.Thiruvengadam
Dr.L.Veerakumari

Examination Committee

Dr.M.Parthiban
Dr.G.Kathiresan

NAAC Follow up Committee

Dr.J.Thulasi, HOD of English
Dr.K.Sambathkumar, Associate Professor in Philosophy
Dr.G.Kathiresan, HOD of Botany
Dr.P.Arulmozhichelvan, Associate Professor of Physics

Magazine Committee

Dr.V.M.Muthu Rama Linga Andavar

Dr.Mrs.J.Kamaleswari

Anti Ragging Committee

Dr.M.Kesavan
Dr.R.Nanthini

PART – B

(1)

Activities reflecting the goals and objectives of the institution:

Modernization of Principal's Room

Considering the long pending demand for renovation of the Principal's Room the proposal has been considered by the management and the Principal's Room and office have been renovated with a cost of Rs.5,00,000.00

Smart Rooms

With the UGC grants, smart class rooms have been created for the departments of Physics, Mathematics and English.

Renovated Rooms in the Hostel premises

In order to provide opportunity to the students from socially deprived and economically weaker sections of society, 12 rooms have been renovated with a cost of Rs.2,32,000/- in the Hostel premises.

Adequate lights have been provided on both sides of the road leading from the College campus to the Hostel Campus.

(2)

New Academic Initiatives

Proposals have been submitted to the University of Madras, which the affiliating body, to start the Diploma courses as introduced by the University of Madras.

University Inspection Commissions have been visited the College to grant affiliation for starting one more additional sections to B.Com.(General), B.Com.(Corporate), BBA and B.Com.(Bank Management)

(3)

Innovations in Curriculum Design and Transaction

The various departments of the College continued their curricular and research activities. We wish to make a special mention of the following events.

A State Level Technical Symposium-Zenit'10 was conducted by the students of Department of Computer Science and Applications on 1-10-2010.

The main objective of this Symposium is to provide a proper platform for Computer Science students to exhibit their technical output and upgrade their knowledge in the emerging IT field.

78 colleges within Tamil Nadu were invited. Around 133 participants from various colleges within the state participated.

Inauguration of Rabindranath Tagore Hall - On 25th March 2011, Dr. Sekar, Principal, Pachaiyappa's College inaugurated the newly installed Smart room at Room No.34. He also named it as *Rabindranath Tagore Hall*. The members of the Department of English were in jubilant mood. Heads of the Department and Faculty Members of other departments attended the function.

Dr. J. Thulasi, Head of the Department of English, welcomed the gathering. She also assured that the Audio-visual aid would be used extensively used for the benefit of the students.

Dr. R. Gomathi, Associate Professor in English, honoured **Dr. Sekar** with a Bouquet and a Memento. She also honoured Mr. Sekar, our Office Superintendent with a Bouquet and Memento, our Computer Technician Mr. Thirumalai was also honoured with Bouquet.

A video presentation on '**Gitanjali**' (a song offerings in English) by Rabindranath Tagore was presented by **Mrs. G. Vijaya Rani**, Assistant Professor in English. The presentation was compiled on a theory called "**Suggestopedia**" which says that comfortable seating, congenial atmosphere, music and visuals enhances the capability of learning.

Dr. J. Alli, Associate Professor in English, delivered the vote of thanks. At the outset, she thanked the Principal for sanctioning the fund for the installation of the Smart room. She also thanked **Mr. Sekar**, our office Superintendent for his timely help and co-operation. Finally, she acknowledged, with love and affection, the support extended by our own lecturers and students in the department of English.

Kamban Vizha was conducted by the Tamil Department on 26.07.2010

Muperum Vizha conducted by the Tamil Department on 17.09.2010

Inauguration of Dr.Mu.Va.Endowment Library for the Department held on 31.03.2011.

Dr.Mu.Va.Endowment Lecture was given by Dr.M.Thangaraju, former Vice Chancellor of Zoology Department on 14.03.2011

Special Lecture on Anticancer Properties of Green Tea' was delivered by Dr.T.Saravanan, Ph.D. Associate Professor of Zoology, Jamal Mohammad College, Trichy.

Special Lectures and Endowment Lectures

Dr.Mu.Va. Endowment Lecture delivered by Dr.M.Thagaraju, former Professor of Tamil of this College and former Vice-Chancellor of Periyar University, Salem.

Dr.V.S.Sundaralingam Endowment Lecture – delivered by Dr.A.Ramachandran, I.F.S.,Ph.D., Director, Climatic Studies and Adapted Research, Anna University.

Philosophy through languages – **Special Lecture** delivered by Dr.R.Gopalakrishnan, Professor and Head, Department of Philosophy, University of Madras.

The departments of Tamil, English, Mathematics, History, Economics, Commerce, Philosophy, Physics, Botany and Zoology continued their research activities leading to the award of M.Phil. and Ph.D. degrees to a number of scholars and publication of a large number of research papers in leading national and international journals.

(4)

Interdisciplinary programmes

Subject experts and eminent personalities have been invited to give special lectures in various disciplines to motivate the students to promote their skills in gaining good knowledge for their higher education and job oriented activities.

Soft Skills have been trained by detailing the services of the leading private educational agencies, viz., River stone Academy, Sutherland Global Services and Tally Academy.

Cultural and various academic programmes have been conducted by the departments and the students have been awarded suitably.

(5)

Examination Reforms Implemented

The performance of the students in the practical and theory examinations have been evaluated by the external examiners appointed by the University of Madras

and external marks have been awarded by them as per the curricula designed by the University of Madras under Choice Based Credit System.

Student evaluation on teachers (peer evaluation) is being done periodically. Students have been encouraged to give their evaluation report about their teachers to ensure objectivity.

(6)

Candidates Qualified SET

9 students of Post Graduate classes and M.Phil. programmes have cleared SET.

(7)

Initiate towards Faculty Development Programme

Faculties are availing the opportunities to attend the seminars and workshops at National and Internal levels.

Membership of our faculties in various Academic Bodies

Dr.P.Prakasam, Reader in Tamil	:	Member, Syndicate, University of Madras 28.3.09 – 28.3.2011 Member, Academic Council, University of Madras
Dr.T.J.Bhoopathy, HOD of Physics	:	Member, Board of studies UG / PG Chairman, Examination Board University of Madras
Thiru C.Dharuman, Lecturer SG in Maths:		Member, M.Sc. Examination Board University of Madras
Dr.N.P.Ravikumar, Reader in English	:	Chairman, Board of Studies – PG University of Madras
Dr.R.Venugopal, Reader in Tamil	:	Member, UG Board of Studies Chairman, PG Board University of Madras
Dr.N.Jayachandramani, Reader in Chemistry		Chairman, PG Exam Board University of Madras

Dr.G.Kathiresan, Reader in Botany	:	Member, PG Board of Studies University of Madras
Dr.M.Kesavan, HOD of Commerce	:	Chairman, PG Exam Board University of Madras
Dr.J.Thulasi, HOD of English	:	Chairman, English Board of Studies, University of Madras Chairman, P.G.Exam Board University of Madras
Dr.M.Parthiban, HOD of Philosophy	:	Member, Board of Studies both UG and PG, University of Madras Chairman, Under Graduate Examinations, University of Madras Member, Board of Studies, Meenakshi University, Chennai
Dr.J.Alli, Associate Professor of English		UG Board Member, IDE, University of Madras Member, Board of Studies University of Madras

(8)

Seminars / Workshops conducted

International Conference on Medicinal Plants and Herbal Drugs: Challenges and Opportunities in Cultivation Sustainable Utilization and Conservation (ICMPHD 2010) during March 4th to 6th 2010 by the Department of Botany in which Dr.T.Sekar was the organizing Secretary with the financial assistance of Council of Scientific and Industrial Research, DST and UGC. The conference was held in a gala fashion with the unstinted support of the HOD and other staff of the Department of Botany.

National Conference – Environmental Beauty and its protection as envisaged in Saivasiddantha conducted by the Department of Philosophy on 17th and 18th July 2009 Dr.K.Sambathkumar was the organizing secretary with the financial assistance of the UGC

Seminar on Recent Trends in Biological Sciences held on 23.09.2009 with the financial assistance of Tamil Nadu State Council for Higher Education.

Seminar on Colonial Madras: The City and its History conducted by the Department of History with the funds provided by the Indian Council for Historical Research on 20.03.2010.

Seminar on “**Trends in Web designing**” was delivered to M.C.A students by Mr. Nandakumar, Animation Specialist from M/s.DreamZone on 16-7-09 conducted by the Department of Computer Science

Seminar on “**Recent concept of .NET Technologies**” by M/s. SRM Infotech was arranged to II MCA, III MCA and III B.Sc.(Computer Science) students on 15-10-09 conducted by the Department of Computer Science

Seminar on “**Emerging opportunities in IT, infrastructure management and Networking solutions**” by M/s. HCL career development center was arranged to all our students on 1-2-10 conducted by the Department of Computer Science

Seminar on “**e-Governance**” was organized on 18-2-10. **Thiru. E. Iniya Nehru, Technical Director, National Informatics Centre, Chennai** was the chief guest and he delivered the Special address conducted by the Department of Computer Science

Seminar on Governing language Tamil organized by the Department of Tamil on 25.01.2010

Workshop on Tholkappiam held in our College from 15.02.2010 to 24.02.2010 with the funds provided by the Government of India. Dr.V.M.Muthuramalinga Andavar was acted as Coordinator for the workshop from the Department of Tamil. The workshop was held in a mega fashion with the unstinted support of the HOD and other staff of the Department of Tamil.

(9)

Research Projects

Dr.L.Veerakumari	Rs.8,76,800.00	Identification of potential phythogherapeutic compounds to thread heamonchosis in livestock
Dr.L.Veerakumari	Rs.29,18,280.00	In vitro and in silico studies on the effect of some phytochemicals on paramphistomes

(10)

Patents Generated, if any

Community Services

NCC Activities

Our College has the unique distinction of having all the four NCC units, viz., Armoured Squadron, Infantry, Air wing and Naval wing. These 4 units are respectively led by Lt.M.Perumal, Captain K.S.Sridhar, Pilot Officer Dr.P.Venkatesh and Ct.K.Vijayaraghavan. Among the important activities, I wish to mention the participation of our cadets in the RDC camp, Attachment Camp, Vayu Sanki Camp, Nav Sanik Camp, National Integration Camp, Trekking camp, CATC and other camps. Blood Donation Camp and the Marina Republic Day Parade.
